DESCRIPTION: Asset is a grant of subsidiary units of a private LLC that was the holding company of Cano Health entities, which went public in June, 2021, through a SPAC transaction. Shareholders of the Primary Care entity were granted class B shares in the new Cano Health, Inc. entity paired with subsidiary units of Primary Care. Those class B shares and subsidiary units have no monetary value until exchanged for class A shares of Cano Health, Inc. COMMENTS: Although the subsidiary units of Primary Care held by Filer at the end of the reporting period have no monetary value, we will continue to report the asset until all shares/units have been exchanged for Class A (publicly traded) shares of Cano Health, Inc., since those Class A shares will have value. No exchange of Class B shares and subsidiary units occurred in 2021. Thus, although the holdings have potential future value, the holdings had no value at the end of the reporting period.
