DESCRIPTION: Filer had a one-third beneficial interest in the Pannill 1985 Joint Venture account in 2019 so all assets in this asset class are listed at their full undivided value. On or about May 16, 2019, the joint venture assets were divided (not sold) among the joint venture members, and securities were then transferred into Filer's Brokerage Account. Transferred assets are identified in the comments to the Pannill 1985 Joint Venture account and are reflected in Filer's Brokerage Account as either an increase in value (for securities already held) or as new assets (for securities not held). After the transfer, the Pannill 1985 Joint Venture account was closed.
